90° Morsekonus Morse taper

- De 'Made in France'-standaard is waardevol:
- HSS-E 5% Co = verspaning tot 110 kg, langere standtijd,
- ruimer assortiment: diameters – hoeken – morseconusopnames,
- langere gereedschappen (Ø 34 ~ 80 mm).

- The Made-in-France standard is valuable:
- HSS-E 5% Co = machining up to 110kg, extended tool life,
- larger range: diameters - angles - Morse taper shanks,
- longer tools (Ø 34 ~ 80mm).
